

**FOR IMMEDIATE RELEASE**

**Equis Group Announces Appointment of New Partner**

Singapore, 2 October 2018 – Equis Group (“**Equis**”), Asia’s largest independent infrastructure private equity manager, is pleased to announce the appointment of Damian Secen as Partner.

Damian joins Equis from Macquarie, where he spent close to 18 years working in their infrastructure funds and advisory businesses in Australia, Europe, Asia and North America. He was most recently Senior Managing Director in the Macquarie Infrastructure and Real Assets (“MIRA”) team based in New York, prior to which he was Head of Infrastructure & Utilities, Australia.

David Russell, Partner and Co-Founder of Equis commented, “We are delighted that Damian has agreed to join Equis. He brings a wealth of infrastructure and funds management experience in both developed and developing markets. Damian will be rejoining many of his former colleagues, further extending and solidifying the strength of the Equis senior leadership team.”

**About Equis Group**

Headquartered in Singapore, Equis is Asia’s largest independent infrastructure private equity manager, with a focus on developing and managing energy and infrastructure assets through Equis-controlled local development, construction, management and operational teams.
